Thank you for participating as a volunteer for the 23rd Pacific Islander Festival. This organization is built upon people who have found the benefit of working together for the good of the community, in efforts to preserve and promote the indigenous cultures of Micronesia, Melanesia and Polynesia. Volunteering is ultimately about helping others and having an impact on people's well-being. We hope you find a great sense of achievement in knowing that you have made a difference by participating as a volunteer for PIFA
